## **COMMUNITY NEWSLETTER**

Vol. XXIV, No 6

Oct 2010

From the North Mississippi Emmaus  
Community Lay Director, Yvonne Cook  
128 North Mullen Avenue, Nettleton, MS 28858  
662-963-3801 or 662-231-4943

Well here we are with the last pair of walks for the season of 2010! I want to say thank you as a community for being so supportive of me. I have been so blessed to have served as Chairman this year. God has really been doing some miraculous things. There have been countless lives changed and rearranged because of His love. There has been passion for Jesus and a stronger relationship with Him restored. Let's stay connected and keep that relationship strong. When you share with others what Jesus is doing in your life it can make a difference in your life and in the life of others. In the words of a song, "We must tell someone who will tell someone until the whole world knows. Because each one can reach one as we follow after Christ we all can reach one." One at a time, that is how the world is changed.

In a Beth Moore Bible Study "Believing God" she gives a 5 point belief statement that would change our life if we could really get a hold of it.

- 1) God is who He says He is.
- 2) God can do what He says He can do.
- 3) I am who God says I am.
- 4) I can do all things through Him who gives me strength.
- 5) His word is alive and active in me.

What truth and power in that! What are you doing to make Jesus know? May God bless you all as you honor Him with your very life.

In His Love,

Yvonne Cook

Each one should use whatever gift he has received to serve others, faithfully administering God's grace in its various forms.

1 Peter 4:10
