Vol. XIV, No. 5

September 2005

From the Lay Director

Janice Curran (662-773-5138)

currand@bellsouth.net

110 Curran Dr., Louisville, MS 39339

Last month when the weather forecasters began talking about Hurricane Katrina, I had no idea what an impact it would have on my life. I had planned on spending that week playing with our granddaughter. My plans changed when Katrina took a turn for Mississippi. On that Monday morning we began to watch as God showed His mighty power in nature. We watched along with the whole country as the storm came shore. The blowing rain and strength of the wind made me so aware of God's control of all things, especially the weather. What power and might He has!!

I am pleased to report that although we had to reschedule a North Ms Emmaus Walk for the first time, there was little damage overall to the camp. Praise God! We did suffer with down power lines for several days causing the electricity to be out a few days. Several men came to help clear the roadway of uprooted trees. Also a few of the cabins had some minor damage. All in all God spared the camp of major destruction. I thank God for His protection. Ray and Sue had only a week to get the camp back in shape for Walk 184. They, along with a couple of volunteers, did a terrific job. The women of Walk 184 are grateful for all their hard work. Lives were changed; God worked in the midst for those 35 women.

Walk 183 was rescheduled for October 6-9. I thank Sybil, George and Sue for all their help working this out. The spirit and cooperation of the sponsors, pilgrims and team members was a blessing.

DeColores!!

Janice

To every thing there
Is a season, and a
Time to every purpose
Under heaven . . .
A time to be born,
And a time to die . . .
A time to love, and a
Time to hate, a time
Of war, and a time of peace.

Ecclesiastes 3:1-8
