COMMUNITY NEWSLETTER

Vol. XVI, No. 1

February 2007

What is the vision of Emmaus? What is the "big picture" of what we do?

The Reverend Cherie Jones in the Emmaus International Newsletter describes the vision of the Walk To Emmaus as three-fold:

FIRST - WE SEEK TO DEVELOP CHRISTIAN LEADERS.

We invite Christians who are active members of local churches to come to the three-day weekend. While on their walk, they are challenged to take on the disciplines of piety, study, and Christian action for the rest of their lives.

SECOND - WE SEEK TO STRENGTHEN LOCAL CONGREGATIONS.

We want pilgrims to return to their local churches and continue to offer themselves in service to God through their congregations. They take back their understanding of a life marked by piety, study, and Christian action. They bring home a renewed energy for loving God and neighbor. They bring back a revitalized desire to offer sacrificial love within the church.

THIRD - WE SEEK TO CHRISTIANIZE THE ENVIRONMENT.

We want the pilgrims to return to their homes, places of work, schools, and neighborhoods to be faithful witnesses to the grace of Jesus Christ. It is our hope and vision that their witness will make a difference in their world, that their lives will be marked by honesty and integrity, and that the light of Christ will shine through their words and deeds.

Through the development of Christian leaders, we strengthen our local churches thus providing the foundation for us to be faithful witnesses to the world. What an opportunity to serve!!!

When Jesus first appears to the disciples after the crucifixion, they are huddled in fear behind locked doors. John 20:19-21 recounts Jesus' words. 'Peace be with you! Peace be with you! As my Father has sent me, I am sending you.'

We are both comforted and directed by His words.

"...Christ is counting on us."
