NORTH MISSISSIPPI EMMAUS

COMMUNITY NEWSLETTER

Vol. XV, No. 4

August 15, 2006

From the Lay Director

Carol Ann Terrell 301 Seymour Dr. Indianola, MS 38751 662-887-5965

Dear Emmaus Friends,

As Mitch and I were riding down the highway on a hot summer day, I saw a sign. It read "Beat the heat – come to a cool church." This is the way I feel about our North Mississippi Emmaus Campcool – refreshing – rejuvenating – inviting – rewarding – calming – spirit-lifting. I'm sure you could add other adjectives to describe how this Godly place affects you. As I continued to think about our camp, prayer came to mind. Prayer is such an important part of Emmaus, as each walk is undergirded by this conversation with God. The prayer banner is shown at each walk to let the pilgrims know how the community is supporting them with a 72 hour prayer vigil. Do you remember how your heart was touched to see the names of all the people who were praying for you? Many were praying in the wee hours of the night. Some you knew, but many you did not.

However, as important as we say prayer is to Emmaus, we have a need that has not been met for our prayer time. If you feel God's nudge to become a part of this Emmaus ministry, please notify your contact person for your community. We would love to add you name to this banner.

If your community does not have a contact person, you may want to consider serving our Lord in this capacity. If you are the contact person and have not yet responded, please do so.

You may contact:
Genie Tindoll

Kosciusko, MS 39090

In closing, I would like to share a special prayer with you. A friend gave it to me many years ago when I gave my first talk – "The Priesthood of All Believers."

Lord,
She priested to me.
It had been so long since I had seen her,
And I began to babble about the kids
And how busy we all are
And how she "hadn't changed a bit" -- saying nothing.
Then she looked at me --
Caught and held me with her eyes --
Wanting to know how it goes with me
Wanting to know what my hopes and hurts and needs really are, caring --
Willing to bear with me the burdens that are mine or share with me the joys.
Surface chit-chat seemed suddenly out of place.
And we talked, in depth.

I would have let the moment go by, but she priested to me.
And the time we had together became significant.
I am afraid to speak to those I meet,
Afraid I might be misunderstood,
Afraid I might be intruding.
She did not intrude.
She cared enough to risk offending me, to risk rejection.
She cared enough to reach within.
And, in doing so, she priested to me.

Lord, I rush in babbling.
Let me pause
And perceive
And risk
And love enough to speak.
AMEN.
