## COMMUNITY NEWSLETTER

Vol. XXIV, No1

March 2010

From the North Mississippi Emmaus Community Lay Director, Yvonne Cook  
128 North Mullen Avenue, Nettleton, MS 28858  
662-963-3801 or 662-231-4943

It's Time!!! The North MS Walk to Emmaus 2010 season is underway. It takes a lot of advance planning to get everything ready for a three day Emmaus Walk. However, even more important than the planning is **praying**. Prayer is the key to the success of the walks, without prayer support it would be just another "great week-end meeting". I believe, no, I know, the success of the Emmaus, Chrysalis, and Crossroads movement is directly related to prayer. This means that the most important role of any walk is in the hands and hearts of the community. Will you commit to pray for the walks, the teams and the pilgrims? If you are not a part of the 72 hour prayer vigil, which provides prayer cover for each walk, would you become a part? Do you remember how you felt on Friday as the prayer banner was revealed and you saw a visual picture of the prayers being offered on your behalf? Lives will be changed forever because someone cared enough to spend some time talking to Jesus on their behalf. I can't wait to see what God does when His people pray!

If you would commit to pray for the Emmaus Walks, Chrysalis and Crossroads would you please give me a call or e-mail Bill Maslin @ [maslin@cvm.msstate.edu](mailto:maslin@cvm.msstate.edu). We really need your help and you will be so blessed.

*Chrysalis News- Newton Garry, Board Chairman*

This is always an exciting time of year in the Chrysalis, Crossroads and Emmaus Communities, the beginning of a new year of wonderful experiences with our Lord Jesus on either an Emmaus Walk or a Chrysalis Flight.

Here at Chrysalis and Crossroads, we are really excited about our new year and what God is going to do in and through the lives of the young women and men on the Flights and the teams that He is putting together. Five of our seven Lay Directors this year are butterflies from previous Chrysalis and Crossroads Flights. They have "grown Up" through serving in various roles on teams and are now leading a flight of their own. Ten of our current board members are Chrysalis or Crossroads "graduates". That is exciting to me. Men and women who went through a Chrysalis Flight "staying the course" and continuing to serve our Lord through Chrysalis. And these are only a fraction of the men and women who have used what they gained from their Chrysalis Flights to go forth and serve God in our churches and communities.

If you ask me, God is still working through the Chrysalis and Crossroads experience. If you haven't worked in a long time, I would encourage you, no, I would challenge you to serve on a Chrysalis or Crossroads team and catch the excitement.
