COMMUNITY NEWSLETTER

Vol. XXIV, No 3

July 2010

Yvonne Cook**

What an awesome God we serve!

There are so many ways in this life that God chooses to bless us and we often miss it. I pray that as an Emmaus Community we know how blessed we are, especially with the facilities we have. This camp, The Christian Camp of North MS is under the leadership of its own board. The first walk held at this camp was Walk #39 in 1992. The improvements at the camp since then have been phenomenal with the addition of five new cabins and the chapel. Each time any construction has been done or improvements made, it has been paid for without incurring any debt due to the generosity of the community. What the Lord has blessed us with takes a lot of time and effort to keep maintained and it is our responsibility...no, our privilege, to do this.

I can remember in the early days we would have a clean up day and communities would come and take care of things that needed to be done. This has not been done in a while and there are some areas that need our attention. As a community or as individuals we could do something to make our camp better. For instance, if communities or individuals would take on a project for a year, say your community volunteers to clean an area (the chapel or a cabin or two...) twice a year from top to bottom, what a gift of service that would be to Ray & Sue and also to the community as a whole. If any of you would be willing to take an area to adopt for a year, please let me know. Thank you so much for all you do to make this community a reflection of Jesus.

In His Love

Yvonne Cook

Each one should use whatever gift he has received to serve others, administering God's grace in its various forms. 1 Peter 4:10

Chrysalis Newsletter

Once again this summer, the Christian Camp of North Mississippi has been alive with young people coming face to face with the amazing love of a Loving Heavenly Father. I continue to be blessed as I hear these beautiful butterflies share of the love they have experienced through Chrysalis and Crossroads Flights.

By the time you read this article we will have had two Crossroads Flights and three Chrysalis Flights, with two Flights remaining. As always, God has blessed in the efforts of some very dedicated Lay Directors (Pam Sykes, Doug McClure, Kathryn Spencer, Saunders Ramsey, Emily Stringer) and the teams He has allowed them to assemble. It is so exciting to see people who have been involved with Chrysalis or have come up through Chrysalis, continue to stay involved by leading these Flights.

I know in the Emmaus tradition we do not lift individuals up but one of the great blessings for me this summer has been seeing people like Turner and Sybil Arant continue to support Chrysalis and Crossroads through Sponsoring and serving on teams. I wish you could have heard the young ladies share how great it was having them on the team. There have been many others of you who have remained faithful servants to our young people and for this we are eternally grateful. If you have been away for a while, come on back and catch the excitement.

We still have two Flights remaining this summer, Boys Chrysalis #96 led by Dan Curran, and Girls Chrysalis #97 led by Andrea Haynes. There are still openings on both of these, so please consider sponsoring some young person to a weekend with our Lord Jesus.

For more information you can always check us out on Facebook or on our Website www.nmschrysalis.com. Thank you again for your love, support and encouragement.
